

Join us for Conflict Resolution Week October 16-20 Taking Resolution to the Next Level

Sponsored by the MBA's Dispute Resolution Section

Join the Massachusetts Bar Association for **Conflict Resolution Week** as we celebrate the many benefits that dispute resolution (DR) processes bring to the legal community and the people of Massachusetts.

The MBA's Dispute Resolution Section is proud to present a series of **FREE** DR-related events each day during Conflict Resolution Week. Whether you are a member of the DR community or interested in learning more, there is something for everyone.

Be sure to join us on **October 19**, to celebrate **Conflict Resolution Day!** Don't miss this opportunity to network with judges and colleagues in the DR community and beyond. Don't miss Keynote Kenneth Feinberg, best known for his special master work on the 9/11 Victim Compensation Fund.

Be a #peacemaker.
